

*Stephane Deschezeaux is back with 2nd installment of Rare Funk Collection!*

*Rare Funk Collection 2 is packed with vintage & analog bass loops, authentic disco chord & brass hits, punchy drum & top loops, drum fills, funky guitar licks & loops, bright piano sounds, inspirational synth & leads loops, groovin' percussion, single drum hits, FX and MIDI!*

*Stephane Deschezeaux is a real Funk & Nu Disco veteran with over 20 years of music production experience, multiple chart topping releases and successful head-honcho of Springbok record label.*

*This collection has been perfectly crafted by Stephane Deschezeaux and The Family's Jam who recorded live guitar licks & loops making this collection even more unique!*

*It's all about that magical 70's Funk sound! Look no further and bring that instant Funk groove to your productions now!*
