

## Description Stranger Pop

Introducing 'Stranger Pop' by Seven Sounds, a pack inspired by the famous streaming series Stranger Things, also inspired by Kyle Dixon and Michael Stein. This pack features incredible synth sounds (Roland Jupiter, Roland Juno, Casio CZ, MOOG) that take you right back to the 80s. Without a doubt, a pack that you should add to your library. Start creating your next track with this amazing sample pack, it's 100% royalty-free.
