

Step into a world of sonic tranquility with **Stratus by Cloudy Samples**, a meticulously designed sample pack that invites you to explore the boundless possibilities of ambient music production. Whether you're creating cinematic scores, downtempo beats, or ethereal chillstep soundscapes, this collection provides the tools you need to bring your visions to life. Immerse yourself in a rich tapestry of evolving textures, spacious pads, mesmerizing drones, and emotive melodic lines. Each loop is infused with depth and detail, perfect for setting a serene or dramatic mood in your productions.

Unlock fully arranged compositions that serve as complete song ideas or creative starting points. Each kit includes individual stems such as drum layers, basslines, FX, melodic elements, presets and MIDI files, giving you full control over the arrangement. From warm, analog-inspired basses to shimmering leads, atmospheric pianos, and hauntingly beautiful pads, these presets are ideal for adding unique, customizable layers to your tracks. These kits are designed to inspire and streamline your workflow while maintaining professional-quality sound.

Please Note: To access presets, you need an up to date Reveal Sound's Spire.
