

Audentity Records proudly presents Strings Adventure 3, the third installment of the amazing Guitar Loops collection by guitar player Max Meurs.

Our previous packs were used by many artists already, the guitar loops seemed to be very usable and sound great with all genres, whether it's pop, dance or chill.

The guitar riffs in "Strings Adventure" are useful for every kind of genre, from Ambient, Pop, Cinematic till Deep House, Future pop and many others.

Let you inspire by the emotional, hit potential, poppy, Jazzy and atmospheric loops and layer them with your beats and music.

Again all our guitar loops are recorded at 48Khz and cut to fit perfectly in your daw or sampler.

In detail, you can expect 192mb of content with all audio at 24Bit & 44KHZ.

The pack contains 99 Guitar Riffs, bpm vary from 80 -120.
