

Description Subliminal Pop Verses vol.2

We present 'Subliminal Pop Verses vol.2' by Seven Sounds, as in its first volume, this volume 2 also brings incredible sounds, and it combines very well Dark Pop, Pop/Rock, with excellent vocals that perfectly complement each song in a unique way, (chill, sexy, and dark) and a musical production that will fill you with good ideas so you can start creating your next track. Undoubtedly a very complete pack for your library. This pack is inspired by Charlie XCX, Olivia Rodrigo, Billie Eilish, Melanie Martinez, Lana del Rey and many others. This content is 100% royalty-free.
