

Summer House Logic Pro Template Vol.1

IBIZA - a stunning sunny island with a unique atmosphere of the dance festival with the latest hits of electronic music. Many musicians would like to learn how to make arrangements in this style. And now you have this opportunity.

This template shows how to create a professional melodic chords, bass and rhythm section, and also includes a complete arrangement with chain effects, MIDI data, automation, samples and presets. Through the study of templates from Ancore Sounds, you will learn how create your own high-quality tracks.
