

After the huge success of Sunny Lax Spire Essentials Volume 1, we are proud to present Volume 2 of this hugely popular sound set series.

Including 128 fully club orientated Spire presets, covering a wide range of electronic dance music genres. This sound set provides you with all the tools 'really' needed to produce your next dance floor ready hit. Sunny Lax has covered everything from big room progressive plucks, atmospheric evolving pads, uplifting basses and in your face, fat super saw leads. Giving you a truly unique collection of fresh, inspirational and creative sounds!

This sound set includes a combination of fresh, new sounds and remakes of popular sounds by artists such as Above & Beyond, Aly & Fila, Deadmau5, Eric Prydz, Virtual Self and many others.

Sunny Lax is well known for producing the finest quality uplifting and progressive trance, with a string of successful releases on Anjunabeats, Armada Recordings, Lost Language and Deep Blue Recordings. He is most well-known for his releases "P.U.M.A", "Contrast", "Blue Bird" and "Reborn", not to mention countless remixes for other well-known artists. It's safe to say, Sunny Lax has become a firm favourite in DJ playlists around the world.

As with every product we release, we strive to deliver the highest quality presets in the industry and this sound set is no exception. This sound set contains the true, popular, trending club sounds that are being played by DJ's around the globe right now. So truly fresh, inspirational, road tested sounds ready to use out of the box.

This sound set is released as part of our new Artist Series product series, where we give you everything needed to get started from the word go; our sound sets contain the real "bread and butter" sounds that you actually need to get your productions off the ground. No need to waste time searching online communities, we give you the actual sounds professional producers are using in the studio right now.

Unlike other sound sets currently available, we provide the original files used to create the demonstration files, giving you an excellent educational tool for learning how to get the most out of the sounds included in the sound set and inspiration for composing your own melodies.

Artistic Influence

While producing this sound set we were inspired and influenced by the following talented producers and artists.

Above & Beyond, Oliver Smith, Jason Ross, Deadmau5, Eric Prydz, Aly & Fila, Virtual Self and many others.

Sound Set Properties

100% royalty free.
