

Code Sounds is proud to present Sunset Chill Trap! An essential sound palette of deep uplifting melodies and nostalgic tones to explore whether you are sitting by the beach as the warm sunsets over the horizon or chilling with your closest friends on a rooftop patio with a bird's eye view of the deepest sunset over the cityscape, these are the chill vibes Sunset Chill Trap captures in this emotional collection of loops and song kits!

In this pack, you will discover a massive 2.4 GB of sounds with 6 Full Construction Kits with Stems, Midi Files and Loop Versions including Chill Melodies, Lush Pads, Soft Arps, Deep 808 Subs, Punchy Trap Beats, Rollin' Hat Loops and Crispy Snares. The emphasis for this pack was on creating distinct and unique melodies and uplifting modern chord progressions with warm Lo-Fi vibes! Many of the individual loops are a great starting point for a track and can be easily mixed and matched to create your own vision.
