

## Super Trap Vol. 1

Step into the future of trap with Super Trap Vol. 1, a high-energy, hyper-stylized sample pack built for producers who want to push boundaries. This pack blends the raw power of trap with distorted 808s, glitchy FX, futuristic synths, and chaotic textures that hit hard and demand attention.

Inside the pack you'll find:

Heavy, distorted 808s

High-tempo, rage-style drum loops

Futuristic synth melodies

Glitch FX and transitions

Vocal chops

Perfect for making beats in the style of Yeat, Playboi Carti, Ken Carson, Destroy Lonely, and the new wave of experimental trap artists.
