

Mainroom Warehouse are proud to bring you the 1st instalment of this superb new series '**Supercharged EDM Drops Songstarters**' bringing you eight professional songstarters packed full of pro features and produced by a professional producer. If you're looking for inspiration for your next huge EDM hit then look no further than this pack. Each Kit includes 24-Bit WAV files as well as MIDI.

These loops and samples have been inspired by the top EDM artists and festival from around the world and have been carefully crafted to inspire your next EDM hit track.

Each kit featuring enough material to spawn an entire new track, including MIDI & WAV audio loops plus all of the professional features you'd expect from Mainroom Warehouse, Loops are provided in both wet(with effects) and rendered dry (no FX) so you're free to add your own to help gel these superb EDM samples in to your own mixes.

For audio loop users there's filter up and down sections as well as FX tail loops to allow you to easily use the samples in build ups and breakdowns. With MIDI files included for main melodic parts you're also free to break out your own synths and use your favourite presets to create your own sound.

Advantages of midi is you can use them as is or as a basis for your own ideas, Learn and see how they have been constructed, add your own vst instrument to create a different sound to your taste, modify or transpose to your own taste.
