'Tech House Injection' from baltic audio brings you a powerful collection of Tech House samples and loops to push your production to the next level. You'll find a bunch of drums, basses, synths, drumloops, chops and more and 100 presets for Sylenth1 synthesizer.

This royalty-free pack provides you with all of the elements you need to make chart-topping Tech House hits.

32 MIDI files are included for the majority of musical phrases heard in these kits. Together with the 100 Sylenth1 presets and the several bass- and synthshots there are no limits to your creativity.

Of course, the numerous ready-to-use loops also allow you to achieve great results very quickly.

If you're looking for sounds of Fisher, Martin Ikin, Chris Lake, Dom Dolla and many more, then this product has you covered.

You can use this pack for genres like Tech House, Minimal House, Deep House, Techno and more.
