

Taking inspiration from artists such as Hot Since 82, Chris Lake, Riva Starr, Latmun, John Summit, Eddy M, Rene Amesz, and labels such as Toolroom, DIRTYBIRD, The Myth of NYX, Sweat It Ou, Repopulate Mars, Black Book Records, Defected and more.

In this pack, you'll find an array of handcrafted audio and MIDI files, designed to maximize your workflow during your next studio session.

Furthermore, this sample pack includes seductive 10 Construction Kits, to give you that head start.
