

## AS004 – TECHNO KICKS IN KEY vol.1

**“TECNHO KICKS IN KEY vol.1” is a sample pack with 150 high quality Kicks in WAV format ready to be used in your next chart anthem!!!**

This powerful collection of key labelled Kicks will perfectly match with all the elements of your production and will provide a huge bassdrums to your tunes!

Created for **Audiozone Samples** by italian Producer & Sound Engineer **Michele Russi**, who previously released a 10/10 reviewed and a **two months on Beatport Top Ten chart** sample pack for **Sample Tools by Cr2!!!**

This compilation includes 150 fat kicks with influences from Techno, Deep, Minimal, House sounds and it's inspired by most popular bassdrums in Detroit & Berlin style.

This perfectly designed kicks have been used also by producers who want to work with them without using extra plugin!

Power, deep, dark and punch... just choose the best one and produce your next hit!

**AUDIOZONE SAMPLES, the future sounds of tomorrow!!!**
