

We are back with a brand new House & Techno sample pack.

Are you ready for more pure techno music with the coolest and freshest boomy drum kicks, Acid basslines and techno melodies?

What about fresh new vocal chops, fx and spoken words?

Over 1,04 GB of Content! Unique sample pack inspired by artists like Adam Beyer, Umek, Charlotte de Witte, Maceo Plex, Richie Hawtin, Nina Kraviz, Wehbba, Joyhauser.

This new pack has all the ingredients to produce this hot genre with 911 one-shots and loop samples, 42 midi files. This pack is suitable

for the popular Techno, Acid and House genres, but also for Tech House, Minimal house and many others.

We included a huge amount of wavs, one-shots, loops and midis to give you max flexibility.

Techno sample pack contains:
