

Our latest production toolkit – Underground Tech House is here!

Containing a total of 620 MB, this pack contains killer flavours covering the full spectrum of the Underground Tech House.

As with every release from The Audio Bar we offer corresponding Tempo and Key to all files for our Loops, plus all our one shot kicks are key labelled.

This pack aims to bring you a powerful collection of essential content spread across the absolute highest quality audio Samples, and Loops.

We have included dark, brooding basslines bubbling with energy and groove, punchy versatile drum hits and huge kick drums guaranteed to underpin the heaviest Tech House production.

Our drum loops are crafted using only the finest ingredients and pack the necessary punch in all the right places.

Also included are a collection of deep, mesmerising FX sounds to give you all the ear candy you require.

Underground Tech House – bringing the warehouse vibes to your studio!!!
