

Are you looking for the creepiest Halloween samples?

With scary atmosphere synths, spooky drum loops, scary FX hits, and monster bass samples.

The Audio Bar - The Ritual brings fresh Audio Files based for the Halloween season. For music makers in need of dark and scary-themed sounds for your productions.

Created from scratch and processed to sound spooky, demonic and extremely creepy. Plus, all the synth-based loops and hits are key-labelled.

So, if you are a Halloween fan, this is definitely for you!
