

Check out our new and fresh Tech House 'The Shape' Template. With a bouncy bassline, some acid house elements, combined with some great effects, this template have all elements that will help you to create your next single.

Inspired on top chart tracks from Tech producers like Solardo, FISHER, Carl Cox, Hot Since 82 and others!

Besides the royalty free vocal samples, 'The Shape' includes processed drum one-shots, drum loops, Massive and Spire presets, and FXs samples.

We use FabFilter Bundle for all audio processing and for mastering this track. All midi files and all presets created from scratch are exported in separated folders.
