

The Sounds of Revealed Vol. 1 is a collection of over 1300 samples and 256 presets to give your tracks the signature Revealed Sound. This is the first installment of our sample pack series designed to give you everything possible to sign the next Revealed Recordings hit record and join the Revealed roster.

The Sounds of Revealed Vol. 1 is for you. The artist. The producer. The person that wants to take their productions to the next level. You have all the tools and the ability to select a variety of original and advanced sounds used by Revealed artists themselves.

Whether you're looking for Kicks, Fills, Percussion, Drop Stabs, FX, Shakers, Toms, or a diverse selection of inspirational presets you can have it all here. And to speed up your workflow, all samples are labeled by their root key, if a discernible pitch was defined.

The Sounds of Revealed Vol. 1 comes with two Revealed Signature Soundsets for Sylenth1 and Spire. These presets were designed around playability and ease-of-use. Every preset is assigned Modwheel controls and, in addition, each of the Spire presets have all 4 Macro controls assigned, which we really think is going to make your music sound richer and easier than ever to create.

Reveal Yourself.

FREE BONUS: With your purchase you will also get "The Sounds of Revealed Vol. 1 - Sylenth1 Risers Soundset". An 80 preset Soundset for Sylenth1 that's designed to give you an abundance of sonic possibilities to customize your buildups.
