

The Audio Bar presents 'The Stage', our new Big Room template featuring influences from artists such as Hardwell, Dimitri Vegas & Like Mike, and more.

The Stage is an amazing new template utilizing many complex production techniques used by all your favorite Big Room and Progressive House artists.

This template is perfect for any producer looking to create or improve their own Big Room productions.

The template contains top quality audio loops, one-shots, MIDI, and synth presets to give you full control of the track.

From this template, one can learn how to create those catchy leads, powerful supersaws, strong drums, as well as several mixing and structuring techniques.

This template is exactly what you need if you are looking to improve your electronic music productions.
