Reveal Sound - Van Derand - The Void

Jack inside the world of Cyberpunk filled with raw textures, complex sequences and cinematic atmos with Reveal Sound's first commercial Reveal Sound AI preset pack "The Void", created by sound designer Van Derand, offering 158 carefully crafted and deeply modulated presets ready to be used in any music, movie or game production.

All of these presets have been created using Reveal Sound's groundbreaking new artificial intelligence, Reveal Sound AI, integrated in Spire synthesizer.

Product Details:
