

Laniakea Sounds are proud to announce the very first artist sample pack by Tom Ferry - "UK House". Expect nothing but the finest from this beautiful, pure and dynamic 100% royalty free selection!

Calling Liverpool, UK home, British production talent Tom Ferry has gone from small bedroom producer to a front runner in UK piano house and garage in just a matter of two years. The solo artist has accumulated millions of plays across YouTube and SoundCloud with tracks such as 'Plateau', 'Ur Love' and 'Out Of Sight'.

Releasing with Armada Music, Ultra Music and Universal Music Group, Tom Ferry is no stranger to being in the spotlight. After his bootleg efforts caught the attention of thousands, labels were soon attracted to the young artist resulting in official remix work for BB Diamond and a personal mention from Just Kiddin for his Thinking About It remix.

With the year coming to a close many are labels waiting patiently with open arms, we look forward to Tom Ferry's next sonic venture. Stay tuned for the next chapter in the musical diary of this young Liverpoolian.
