

You asked for more Tonka, so we brought her back! This time in a gorgeously dubby installment of her sexy acapellas, Tonka has delivered her finest performance yet. Inside this beautifully produced vocal pack, you'll find everything you need for your deep-styled productions, from smooth vocal phrases, to sexy whispering voices and cool house one shots, it's all there. As always, these phrases can be used as they are, or cut up and looped for that sought-after hypnotic effect.

Vocals will sit tight in any production looking for deep & sexy feeling. All content is Key and BPM labelled for ease of use. Vocals come as Dry/Wet versions for maximum flexibility. 100% royalty-free content.

You can hear Tonka's voice in almost every Deep House set today, we set a new standard. Grab these fresh vocals and sample them right away in your next productions, no matter which genre you are into.
