

Freak Music is proud to introduce the "Touch" - **collection of beautiful five construction kits, focused on the chillstep, chillout and ambient genres.** Chillstep is ideal for songwriters or media composers who want to mix mellow with modern to create cutting-edge chilled tunes. In addition to that, these sounds can be crafted into many different genres and are guaranteed to inspire you. If you want excellent sounds and chart topping track you need to start with this. Find and load the matching drum loop, bassline, or instrumental lick for your song in a breath. If you are looking for some extraordinary sounds and fresh ideas for your mixes this pack is definitely for you.

In detail you'll find 64 loops, 33 MIDI files and 33 Spire/WAV presets corresponding to every melodic MIDI sequence, plus five mixdown previews. The results is a collection of crossover tunes in an all-purpose format - **works with absolutely every DAW.** All 100% Royalty-Free so you can use them in your commercial compositions with no extra costs. With this collection you'll be able to create something fresh in your favorite genre. All sounds are ready to fit straight into your tracks.
