Music Sample Packs is proud to deliver the brand new **Trance Acid Midi Pack Vol.2**.

I know you love acid! And now Vol.2 is out! Here are 12 different acid melodies you can use in every plugin. Trance Acid Midi Pack Vol.2 is suitable for every plugin. Because these acid melodies are a midi file, not sequenced (Arpeggio) within the plugin. Open the plugin of your choice and drag and drop the MIDI file inside—your acid melody is ready! Isn't that amazing? Also included are the Spire preset you hear in the preview. Let's get started now!
