

HighLife Samples has returned with another top notch pack.

“Trance Around The Word” is an amazing pack of 10 essential Construction kits, featuring 5 kits of 138bpm Uplifting Trance and 5 Progressive Trance kits.

Included with each kit are 24-Bit WAV stems, loops and MIDI files, plus all Sylenth1 and Spire presets. Ultimate flexibility and a professional sound combine to create an un-missable pack for Trance producers.

Each MIDI file and its corresponding Sylenth1 or Spire patch have been identically named for your convenience. These kits are 100% royalty free, fully customizable and ready for to load them in your favorite DAW.

This pack was inspired by artists such as Above and Beyond, Armin Van Buuren, Aly & Fila, Ferry Corsten, Dash Berlin, Alex M.O.R.P.H, Markus Schulz, Cosmic Gate, Rank 1, Sean Tyas and many others.

To load the presets you will need Sylenth1 v2.21. and Spire v.1.0.16
