

Trance Collection - Is a perfect bundle for Trance producers. 14 templates for your DAW, 75 presets for Spire, trance vocal. Everything in the modern style of trance, mixed professionally.

We always care about our templates. We use a minimum of 3rd party VST and only good and popular synths. All projects and presets are prepared with care for details, name, color, playlist, everything clean and easy to learn.

Every pack gives you something different. Let's see what is inside:

"Powerful Trance & Psy Trance for Spire" - Collection of powerful presets. In line with today's trends. Also, this pack included 5 templates for Ableton, Cubase and FL Studio.

"SERIOUS UPLIFTING" - Do you know Aly & Fila? Of course, you are! Guys this is serious uplifting. Full track template for Ableton, Cubase, FL Studio.

"FUTURE TRANCE BASSLINES" - Bassline in Trance music is one of the most important elements. Make sure that he is at the highest level. 3 types of bassline, 3 projects for 3 DAW: Ableton, Cubase, FL Studio.

"FOUND MY WAY VOCAL UPLIFTING TRANCE" - Vocal and uplifting beautiful connection. This template is an original release by Aley & Oshay and has under 200k plays! It's proof that this song is made correctly. Learn from the best. Template for Ableton, Cubase, FL Studio.

"UPLIFTING TRANCE TEMPLATE" - Simply and good. Powerful intro, uplifting melody with amazing sounding leads. Check how to do this! Template for Ableton, Cubase, FL Studio.

"UPLIFTING TRANCE VOL.2" - How powerful uplifting can be? oh just check this out! Template for Ableton, Cubase, FL Studio.

"TRANCE UPLIFTING FSOE STYLE" - Future Sounds of Egypt a home of best uplifting tracks. Very powerful track. Style similar to Photographer. Template for Ableton, Cubase, FL Studio.

"MAINSTAGE - PROGRESSIVE TEMPLATE BY TYCOOS" - Template from Tycoos? wow, this is one of the most supported producers by Armin van Buuren. They give you his original project! Template for Ableton, FL Studio, Logic Pro.

14 Templates in total, 75 Spire presets in one bank and dozens used in templates.
