

'Trance Euphoric Melodies' by HighLife Samples brings quality fresh Trance melodies for producers who want to get instant inspiration for their music productions.

These melodies will give you great ideas to take your trance track to the next level. Can work forthwith out of the box and give your track extra energy and attention to the listener's ears.

Start to write your own melodies in minutes with the midi files you can find inside the pack, assign your own favorite VST instrument or hardware of your choice, all this without any audio limitation.

Or drag and drop the wav melodies inside your DAW and work from there by slicing, pitching up, and down until you have the desire results.

All files are BPM and key labelled for easy navigation. This sample pack inspired by producers like Armin Van Buuren, Daniel Kandi, Beatsole, Nitrous Oxide, and many other trance producers

What's more, everything you get is Royalty Free! Buy once and use in any of your projects in as many combinations as you want. Compatible with all DAWs and suitable for genres such as Trance, Psychedelic Trance, EDM, Progressive House, and more.
