

“Trance Euphoric Melodies Vol.2” by HighLife Samples is a great resource for producers looking for high-quality Trance melodies to inspire their music productions. These melodies will help you take your trance track to the next level by providing great ideas. They can immediately give your track extra energy and capture the listener’s attention.

With the MIDI files in the pack, you can start writing-editing and create your own melodies in minutes. You can assign your favorite VST instrument or hardware without any audio limitations. Alternatively, you can drag and drop the WAV melodies into your DAW and work by slicing and pitching up and down until you get the desired results.

All files are BPM and key labeled for easy navigation. As a bonus, you will also receive ten MIDI patterns that allow you to create your own melodies from scratch.

What’s more, everything you get is royalty-free! Buy once and use in any of your projects in as many combinations as you want. It is compatible with all DAWs and suitable for genres such as Trance, Psychedelic Trance, EDM, Progressive House, and more.
