

Pack Description:

As producers, we always strive to make ourselves better and hope to one day become equals with our idols. HighLife Samples brings you a step closer to achieving your goals... It is your turn to become a Trance Legend!

With this pack we bring you the Legendary sounds you know and love from many Trance Classics, plus many new ones that are guaranteed to give you hours of inspiration! Inside, you will find 1 Spire soundbank file (.sbf) and 1 Sylenth1 soundbank file (.fxb) a total of 64 presets, ready for you to load into your favourite Spire and Sylenth Vst's.

With a total of 64 presets, you are immediately set up to create the most amazing Trance tracks. We have included expertly designed presets for Bass, Leads, Pads, Plucks and Acids, all neatly separated and labelled.

What's more, everything you get is Royalty Free! Buy once and use in any of your projects in as many combinations as you want. Compatible with all DAWs and usable in more projects and genres than you can imagine.

To load the presets you will need Sylenth1 v3.03 and Spire v1.1.14
