

'Trance Melodies & Sounds Vol.1-3 Bundle' brings you a set of 120 key-labelled MIDI Files, 60 Sylenth1 presets and 60 Spire VST presets for your upcoming Trance Productions.

Every single MIDI files are key-labelled and gives you the freedom of changing any melodic part or use your own sounds from any of your favorite soft synthesizers. Scientec Audio also added a folder where you can find the MIDI & Sounds from the audio demo.

This bundle should be definitely in your sample library and is for all Trance producers who want that "State Of Trance" sound.
