

Trance Moments Vol.1

We present to you an outstanding collection of «Trance Moments Vol.1". It contains 5 powerful construction kits in the styles of Trance & Progressive. Each of this magnificent five will rock every dance floor, because we have created for you excellent sounds and samples, which you can use in your compositions.

"Trance Moments Vol.1" contains professionally created construction kits, loops, one shots, Spire, Sylenth1 & Serum presets.

In this package you will find a wonderful set of punchy rhythms, powerful leads, warm plucks, solid basses and many other solutions for your future tracks.

We were inspired by the latest trends in the Trance style and this product was created with attention to the sound of such famous labels as Anjunabeats, Armada and Enhanced Music.

After purchasing this product, you can freely use all sounds and presets from this pack in your commercial works and projects.
