

You want more presets? We've got THE presets! HighLife Samples never fails to deliver what our fans need - the best sounds around. Come and get your Trance on using HighLife Samples Spire Sounds.

This pack is quite straightforward, but you are guaranteed to get a ton of inspiration out of it! Inside, you will find a Spire soundbank file (.sbf) ready for you to load in your Spire vst. Including a total of 64 presets, you are immediately set up to create the most amazing Trance tracks. We have included expertly designed presets for Bass, Leads Plucks and Pads, all neatly separated and labelled.

What's more, everything you get is Royalty Free! Buy once and use in any of your projects in as many combinations as you want. Compatible with all DAWs and usable in more projects and genres than you can imagine.

To open the soundbank you will need Spire Instrument Version 1.1.9 or higher
