

Trance is love, Trance is life! And HighLife samples is spreading the love with its unique and carefully programmed Spire presets! Come and get HighLife Samples' Trance Spire Sounds Vol.2

This pack is quite straightforward, but you are guaranteed to get a ton of inspiration out of it! Inside, you will find a Spire soundbank file (.sbf) ready for you to load in your Spire vst. Including a total of 34 presets, you are immediately set up to create the most amazing Trance tracks. We have included expertly designed presets for Bass, Leads and Plucks, all neatly separated and labelled.

What's more, everything you get is Royalty Free! Buy once and use in any of your projects in as many combinations as you want. Compatible with all DAWs and usable in more projects and genres than you can imagine.

Please note: Spire 1.1.12 or higher is required
