

When the sky meets the ocean, when ethereal meets transcendence, and when Planet Samples make Trance Vocals, the results are the same – BREATHTAKING! You do NOT want to miss out this vocal sample pack.

Inside you will find 5 kits ready for you to release your next hit! Each kit contains the Dry and Wet Vocals, Reverse Vocals and the Original UNPROCESSED recording for the producers who like to apply their own processing. All accompanying Synth Instrument wav's and midis are also included and folders are numbered and labelled with their respective root key and bpm for your convenience. Drums are not included.

What's more, everything you get is Royalty Free! Buy once and use in any of your projects in as many combinations as you want. Compatible with all DAWs and suitable for genres such as Uplifting/Melodic/Progressive Trance, Future and Progressive House.
