

A well built trance track is always a pleasure to hear, but add the perfect vocal and you get sent to the heavens! When the sky meets the ocean, when ethereal meets transcendence, and when Planet Samples make Trance Vocals, the results are the same - BREATHTAKING! Don't miss out the latest pack, Planet Samples Trance Vocals Vol.3

This is a vocal pack you don't want to miss! Inside you will find 5 kits ready for you to release your next hit! Each kit contains the Dry and Wet Vocals, the Instrumental stems and midi files used to create our demos as a starting point for your own inspirations. All folders are numbered and labelled with their respective root key and bpm for your convenience.

What's more, everything you get is Royalty Free! Buy once and use in any of your projects in as many combinations as you want. Compatible with all DAWs and suitable for genres such as Uplifting/Melodic/Progressive Trance, Future and Progressive House.

Please note that fx and drum loops are not included
