

Take your productions to the next level with **Trance Vocals Vol.3** by **HighLife Samples** a premium collection of royalty-free female vocals designed to bring emotion, energy, and depth to your tracks. Whether you're producing **Trance, Progressive, House, EDM, Hardstyle**, or any other dance music genre, these high-quality vocal samples will seamlessly fit into your productions.

What's Inside?

This pack features an outstanding selection of **dry and wet** female vocal recordings, giving you full creative control over your mix. The **dry** versions allow you to apply your own effects and processing, while the **wet** versions are pre-processed with professional-grade reverbs and delays, making them ready to drop into your project instantly.

Each vocal is carefully **labeled with BPM and key scale**, ensuring effortless integration into your productions. Whether you need uplifting vocal hooks, emotional phrases, or atmospheric vocal cuts, **Trance Vocals Vol.3** provides the versatility and inspiration you need to craft unforgettable tracks.

Why Choose Trance Vocals Vol.3?

- ✓ **High-Quality Female Vocals** – Professionally recorded and produced to deliver industry-standard clarity and warmth.
- ✓ **Dry & Wet Versions** – Choose between full creative freedom or pre-processed vocals for instant results.
- ✓ **BPM & Key Labeled** – Save time and enhance workflow with clearly labeled files.
- ✓ **100% Royalty-Free** – Use these vocals in your commercial and personal projects without any restrictions.
- ✓ **Compatible with All DAWs** – Works seamlessly with FL Studio, Ableton Live, Logic Pro, Cubase, and all major music production software.

Perfect for:

- ♪ Trance
- ♪ Progressive
- ♪ House
- ♪ EDM
- ♪ Hardstyle & More!
