

'Helion Trance & Progressive Essentials Bundle' combines all three Volumes in the "Trance & Progressive Essentials" series and contains almost 800 MB of kicks, claps, loops, one-shots, and more. The pack is inspired by artists like Above & Beyond, Beat Service, Estiva, Juventa, Myon & Shane54, Audien, ARTY, Ost & Meyer, Genix, Soundprank, and many more.

If you are a Trance or Progressive music producer, this bundle is made especially for you. You'll find a large number of punchy percussion sounds, while ready to use loops and melody/bass kits will take your productions to a whole new level.

If you ever dreamed about joining the biggest labels on the scene with your own productions, this is the only pack you need.

All of the samples in this product are 100% Royalty-Free, so once purchased you can use these samples in your commercial releases without having to pay any hidden costs.
