'Trap Essentials Vol 5' from baltic audio brings you a powerful collection of Trap samples and loops to push your production to the next level. You'll find a bunch of 808s, drums, synths, instruments and more and some presets for Sylenth1 and Massive.

This pack provides you with all of the elements you need to make chart-topping Trap bangers.

Each Kit contains perfectly mixed instrumentation and will be your essential source for creating instant Trap hits, which are just waiting for a vocal topline to be added.

41 MIDI files are included for the majority of musical phrases heard in these kits. Together with the Sylenth1 & Massive presets, the oneshot samples and loops there are no limits to your creativity.
