

Highlife Samples does it again, bringing to you the most original, groundbreaking and awesome packs available on the net! This time it's with Trap Festival Anthems.

Trap is a genre that has been increasingly used in EDM, along with its deep rumbling basskick and crispy hats and snares. This pack brings it all to the table, with 5 high quality construction kits that are guaranteed to make the Mainstage.

Included are all the wav loop files, including 808s, kicks, claps, leads, bass, fx and vocals, to make the songs heard in our demo.

Besides that, you will find midis for all instrumentals and bass. Drop them into your next project, mix and match or just get inspired and it is guaranteed you will have the next big hit!

This pack is definitely something that has been missing from your samples library and of course we never fail to deliver.

Everything you get is Royalty Free! Buy once and use in any of your projects in as many combinations as you want, in as many genres as you like. Compatible with all DAWs and samplers.
