

Dusty melodic keys, floating guitar loops, tape-saturated beats, oozing 808 sub-grooves, lush atmospheric pads and crackling piano sounds – ‘Trap Tales’ delivers over 650 Mb of melancholic late-night sounds for Trap and Hip Hop productions.

‘Trap Tales’ features 808 low-end grooves, moving drum loops, crispy hat and kick loops, moody guitar sounds, vintage keys, organic music loops and drum hits.

Packed with WAV & Rex2 formats, this collection is ready for drag and drop action into any DAW or sampler.

Carefully crafted sounds and samples designed for the forward-thinking producer. Give your productions a new and unique approach with ‘Trap Tales’ sounds now!
