

“Trap Temple” by Banger Samples is a temple of sound where vintage melodies and minor chords are transformed into an urban ritual. Soft, organic pads create space, while ringing bells add a magical touch to popular trap.

Inspired by artists like Metro Boomin, Travis Scott, 21 Savage, Future, Don Toliver, and Drake, this pack captures the spirit of modern trap – dark, stylish, and imbued with an urban aesthetic.

Use Trap Temple to create tracks that sound like a sacred street ritual – atmospheric, melancholic, and energized cities!
