

“Trendy Slapy House” - This is a pack that you definitely don't want to miss! Slapy house is hot now so we made a creative bomb for you in this genre. This pack is unique because of its creative vocal loops and atmosphere which combine perfectly with Melody & Bass Loops. If you want to transform our melodies into something of your own, MIDI files will make things easier for you. Of course you don't have to worry about Drum loops and One shots, it's all inside.
