

Tropical House 2017 from Function Loops delivers exactly what the title says. 6 Key labelled construction kits, loaded with Loops, Shots, MIDI and presets for Sylenth VSTi, the complete solution. Upgrade your old sounds collection to a fresh 2017 version.

All kits are 100% royalty-free, means you can use the sounds in your productions and release them as your own. Kits are loaded with Drum Loops, Melodic Loops & FX Loops folders. You will find Percussion, Basslines, Flutes, Leads, Synths, Pianos, Pads, Chords, Vocal Chops and all the rest you hear in the demo. Additional Sylenth VSTi presets, will give you maximum flexibility to edit the sounds. Enjoy!
