

Looking for some fresh recorded and tailor-made samples with a tropical vibe?

Tropical House Drums is the pack for you!

Inspired by DJs and Producers like Kygo, Thomas Jack, Matoma, Robin Schulz, and more!

Hand-crafted grooves and positive uplifting vibes that will bring summer to your speakers all year round!

A cocktail of Tropical House samples including one-shot synths, crispy drum loops, deep basslines, tropical percussions, classic piano stabs, synthesized mallets, airy pad sounds, plus bonus Midi grooves. With over 200 files in total!

These samples can be used across the board from Deep House, Tech House, Chillout, House, and of course Tropical House.

As always we also include our booklet containing essential tips and tricks from the producer, to help you improve your music production skill to the next level!
