

'Tropical Pop vocals' by Planet Samples is an outstanding royalty free vocal sample pack of stunning, catchy vocals, ready to drag and drop in to your music productions. If you are producing pop or Tropical House music then you will love this sample pack.

Each kit contain Dry and Wet Vocals, for producers looking to simply drag and drop, the 'wet' vocals contain all of the effects processing heard in the audio demos. You can use also the 'dry' vocals if you want to create your own effects mix. Vocal recordings are made under 100 and 110bpm.

All accompanying synth instrument WAV and MIDI files are also included and folders are numbered and labelled with their respective root key and BPM for your convenience. Drums and FX are not included.

MIDI files inside has the added benefit of allowing you to change the pitch and tempo which the loops were originally recorded, with no time stretching or pitch shifting artefacts. You can edit and make your own tweaks to the MIDI FILES so they fit perfectly into your existing tracks.

What's more, everything you get is Royalty-Free! Buy once and use in any of your projects in as many combinations as you want. Compatible with all DAWs and suitable for genres such as Tropical House, Pop, Dance, House, and more.

Please note: Drums and FX are not included
