

It smells like summer is around the corner, are you ready for a Tropical adventure?

With one of the most anticipated packs of the year, Planet Samples is ready to skyrocket your next Tropical House hits into the charts!

Planet Samples Tropical Summer Vocals Female Edition.

This is a pack you definitely don't want to miss! In it you will find 5 complete kits, with Professional, completely Fresh, Female Acapella Vocals – dry, wet, and harmonies – as well as our own proposed composition to match each vocal, in wav and midi form for your own convenience and creative freedom.

As a bonus we include also the unprocessed vocals for more production freedom. You can tune the vocals as you like and apply your own processing.

All instrumental wavs, such as pianos, guitars, bass, top melodies and saxophones have been professionally recorded and are included with each kit.

Everything you get is Royalty Free! Buy once and use in any of your projects in as many combinations as you want.

Compatible with all DAWs and suitable for more genres than you can imagine.
