

We are proud to present our latest - True House:Producer Essentials!

This collection features the finest signature sounds of Deep, Disco & Classic House.

From super-subby & garage-influenced basses, 80s synths, Korg-arps, lush pads and vintage leads to slammin' drum loops, processed vocal-grooves & FX.

If you're looking for analogue, retro-infused sounds for your next productions - True House:Producer Essentials by Deep Active Sound is a real game-changer.

The collection packed with 300+ Mb of fresh, inspiring classic house elements ready to burst your creativity up!

What's inside collection:
