

ULTIMATE DRUM MACHINE COLLECTION

410 DRUM SAMPLES INCL.
KICKS • SNARES • CLAPS • HIHATS • PERC

balticaudio

'Ultimate Drum Machine Collection' by baltic audio is a big sample library of analog drum samples that can be used for almost any music genre. It delivers 410 WAV files including kicks, snares, claps, hihats, percussion and even more.

Each sample is perfectly mixed by a professional sound designer and will be your essential source for creating your next production whether it's Pop, House, Hip Hop, Synthwave, EDM or even Rock Music.

If you're looking for the sounds of famous Drum Machines like TR 808, TR 909, LinnDrum or RX5 then this product has you covered.
