

We are proud to present our 2nd edition of Ultimate EDM Synth-patches collection.

Ultimate EDM Collection 2 filled with a total of 64 Lennar Digital Sylenth1 & Revealed Sound Spire presets suitable for all modern EDM genres.

If you're looking for modern and up to the date synth sounds - Ultimate EDM Collection 2 features all the elements you need. From heavy distorted EDM & Melbourne Bounce bass sounds to euphoric synth and big pluck sounds, from punchy stabs to huge whitenoise FX and much more.

Ultimate EDM Collection contains some of the finest Vst presets inspired by the biggest acts in EDM scene today such as Deorro, W&W, Hardwell, R3hab, Will Sparks, Showtek, Afrojack or Nicky Romero.

What's inside:

- 64 EDM Presets
- 32 Sylenth1 Presets
- 32 Spire Presets

Please note. The audio contains drums and melodies which are included in the pack.

Download contains: 64 Sylenth1 & Spire presets.
