For More In Depth Description Of Each Pack See Below:-

Trance Euphoria are proud to release '**Trance Ambush**' featuring 20 x Top Notch Trance Construction Kits WAV, MIDI & Presets.

Inspired by all the top Trance artists from around the world and all the top Trance festivals bringing you the best quality tools for your productions.

These songstarters give you a great start to your next track or could be a great edition to your existing projects to give you another direction or dimension to your tracks.

Kits

Each kit include all drum parts from kick (Compressed & Not Compressed) to several percussion loops, wet and dry loops for all the main parts also including filter up and down loops wet and dry, all MIDI parts are included and a mix down demo for each kit, folder structure is smartly arranged for ease of use also presets from Spire and Sylenth are included for each kit to replicate the sounds from the demo you have complete control, each kit gives you song ideas to start your next Trance smash hit including Chords, Bases, Leads and Pads.

Advantages With MIDI & Presets

With MIDI you have the ultimate in flexibility being able to edit notes, velocity etc and assign your own sound, these are easily imported to any DAW either Drag And Drop or Import MIDI Options in your DAW.

These MIDIs are also a great source of inspiration for those writers block moments even the pros need motivation and inspiration from time to time, you can also learn how these have been constructed and change/tweak the MIDI to your own taste.

With the included presets you have complete control and can replicate the sounds you hear and that have been rendered for you to use in each kit, you can tweak and do what you want to achieve your own sound.

FL Studio Owners Software Needed:-

- * FL Studio Version 12.5.1 (Not Guaranteed To Work With Older Versions).

3rd Party Plugins Used:-

- Vst Instrument Used – Reveal Sound Spire – Please Use Version 1.1.13.
- Vst Effects – Xfer OTT (Free Plugin From Xfer Records) – Not Included.

People Who Don't Own FL Studio:-

We have supplied all the individual MIDI files and Spire Presets for each kit to create the full track with the Kick, Percussion Loops and FX etc to totally recreate what you're hearing in the demos and to make these into full tracks, as a bonus we have included the full project MIDI files for each vocal kit so you don't have to import each individual MIDI for the complete kit but the individual MIDI files are there if you require them, the MIDI files can be imported into your chosen DAW and apply your favourite VST instrument and use your own or favourite sound sets if you want instead of the supplied Spire Presets.

About Presets In This Pack

Please note to beginners if you do not own Spire you can still use any virtual instrument of your choice with your own presets or bought presets to assign the VST instrument to the MIDI files and create your own sound, by all means use the included Spire presets if you have it royalty free.

Trance Euphoria are proud to release **'Lazer Kissed Trance'** featuring 20 x Top Notch Trance Construction Kits WAV, MIDI & Presets.
